Request Details

Contract Value: _____

Project Description:
Please provide a description of the proposed fence, including fence height, length, and location on the property.

NOTE: This application is not applicable for fences that serve as a pool barrier. Pool barriers require a building permit from Permits & Inspections.

Applicant Certification

The fence requested with this application does NOT involve a pool. I understand this permit is granted only for the work shown and described in this application. Any falsification, misrepresentation, or misleading information given VOIDS this permit.
