

Pools

Pools, Jacuzzis, spas, slides and decorative features shall not be in front or street-side yard, and shall be set back 5’ from rear and interior side property lines.

Equipment may be placed between a building and side property line, so long as 3’ of clearance is maintained.

All equipment shall comply with all applicable noise standards. If needed, equipment shall be baffled and/or enclosed to reduce noise to acceptable levels.

Maximum Noise Levels measured at property line:	
7:00 a.m. to 10:00 p.m.	70dB
10:00 p.m. to 7:00 a.m.	60dB
