PLUMBING FIXTURE CLASSIFICATION:

To help facilitate the initial intake and fee assessment process, the applicant must specify how many of the fixtures on this project are:

- ___ New or Addition Fixtures (new piping will be installed)
___ Alteration Fixtures (piping will be altered or replaced)
___ Direct-Replacement Fixtures (no piping will be altered)
___ Devices, Appurtenances & Equipment (e.g., AAV, FWG, non-testable BFP, POU WH, etc.)

Please note that failure to provide this office with the above requested information may result in erroneous fee assessment and may delay or prevent the issuance of the associated plumbing permit.
